### A-Team!

# Poverty & Hunger

The amount of poverty and hunger in Hamilton county is astonishing! An average of almost 40% of our K-12 students need food assistance. The rate of impoverished for adults alone is 1 in 7. Help is there and you can give it. Go to our Food pantry, Thrift store, Backpack program and Ministerial Association. You can help the children and adults of Hamilton County feel less hungry and live a better life! Are you aware of what's going on in Hamilton county? Well, I hope you are now!

Help out anytime

Help out anywhere

All you need to do is help out. It doesn't take much but a spare can or a loaf of bread. Give what you can to those who do need it! Please
